

# PUCK GAME

## Components

### INSTRUCTION

1. Find an opponent.
2. Place 5 packs on each side of the board.
3. Slide each end of the elastic band into side grooves so it snaps time pikes.
4. Players clap hands "high ten" style to start game.
5. Use the desire to launch packs through the gate until there are no more packs on your side.

### TO CLARIFY

1. Don't take turns - just reload and fire as fast as you can.
2. It's a pack that off the board play stops and the player whines side at far from must remove it.
3. You're not allowed to push packs towards the gate using your hands, but you can move packs to the side of the board to clear space.
